This is a legally binding Release, Waiver, Discharge and Covenant Not to Sue (collectively, Release), made voluntarily by me, the undersigned Releasor, on my own behalf, and on behalf of my heirs, executors, administrators, legal representatives and assigns (hereinafter collectively, Releasor, I or me, which terms shall also include Releasors parents or guardian, if Releasor is under 18 years of age) to the Massachusetts Institute of Technology (MIT).

As the undersigned Releasor, I fully recognize that there are dangers and risks to which I may be exposed by participating in the program, trip or other activity described on Exhibit A[1] which is attached to and incorporated in this Release (the Activity). As the undersigned Releasor, I understand that MIT does not require me to participate in this Activity, but I want to do so despite the possible dangers and risks and despite this Release. With informed consent, and for valuable consideration received, including assistance provided by MIT, as the undersigned Releasor, I agree to assume and take on myself all of the risks and responsibilities in any way arising from or associated with this activity, and I release MIT and all of its affiliates, divisions, departments and other units, committees and groups, and its and their respective governing boards, officers, directors, principals, trustees, legal representatives, members, owners, employees, agents, administrators, assigns, and contractors (collectively Releasees), from any and all claims, demands, suits, judgments, damages, actions and liabilities of every name and nature whatsoever, whenever occurring, whether known or unknown, contingent or fixed, at law or in equity, that I may suffer at any time arising from or in connection with the Activity, including any injury or harm to me, my death, or damage to my property (collectively Liabilities), and I agree to defend, indemnify, and save Releasees harmless from and against any and all Liabilities.

As the undersigned Releasor, I recognize that this Release means I am giving up, among other things, all rights to sue Releasees for injuries, damages or losses I may incur. I also understand that this Release binds my heirs, executors, administrators, legal representatives and assigns, as well as myself. I also affirm that I have adequate medical or health insurance to cover any medical assistance I may require.

From time to time, ATI works with partners to provide resources such as additional content or automated grading. I agree that ATI may share student performance information with partners in order to improve the quality of our service. In all cases, students' results will not be shared publically be either ATI or any partners.

I agree that this Release shall be governed for all purposes by Massachusetts law, without regard to such law on choice of law.

I have read this entire Release. I fully understand the entire Release and acknowledge that I have had the opportunity to review this Release with an attorney of my choosing if I so desire, and I agree to be legally bound by the Release.
