MIT Academic Teaching Initiative  
SAT Reasoning Summer Program  
Fall 2015

In 1985, a student group at MIT, Educational Studies Program (ESP), dreamt of providing an affordable alternative to SAT prep programs offered by professional vendors, and thus SATPrep was born. Although ESP has decided to discontinue their program in 2011, MIT Academic Teaching Initiative started a program similar to ESP’s SATPrep, in which SAT Reasoning and Subject preparation classes are offered at low cost to high school students in the Boston area.

Eligible Students

Due to capacity limitations, we will admit registrants up to our maximum capacity on a first to apply basis. Therefore, it is important to register early. All high school students are allowed to apply (9th-12th grade). A photo ID, school ID, the most current high school report card, or transcript will be necessary during registration.

| Oct. 25 | Class 1 |
| Nov. 1 | Class 2 |
| Nov. 8 | Class 3 |
| Nov. 15 | Class 4 |
| Nov. 22 | Class 5 |
| Dec. 6 | Class 6 |
| Dec. 13 | Final Exam (12pm-4:30pm) |

Registration Procedure

The following steps must be completed in order to ensure a spot in the program. We will notify you of your admission status for the program during the week prior to the registration. If admitted, you will be invited to register and take the diagnostic exam on the MIT campus. The following steps must be completed:
1) Pre-register via the internet:
   Successfully submitting the pre-registration form does NOT guarantee a spot in the
   program; it merely enters your information in our system. Pre-registration closes on Wednesday,
   September 30, 2015.
2) Receive an invitation via email to the on-site entrance exam. Emails will be sent out on
   October 1, 2015.
3) Complete registration, Sunday, October 4, 2015.
   Before taking the diagnostic exam you are required to show two things:
   • Invitation email from step 2
   • Photo ID, most current report card, school transcript, or school ID
   If you are not eligible for the program, you will be asked to leave at once.
4) Please be prepared to pay tuition on registration day (cash or check)

Failure to complete any of these steps may result in forfeiting your place in the program.

Tuition

The cost of $125 will be paid on registration day. This cost covers the entire program.

Financial Aid

Financial aid is available upon request. We will do our best to accommodate your individual situation. Copies of documents proving your financial situation will be requested. For example, proof of reduced or free school lunch, income statements, or tax returns are among the list of acceptable documents.

Refund Policy

Submitting the Online Pre-Registration Form for the SAT Preparation Program implies you understand that the $125 program fee is non-refundable once submitted, except in significant extenuating circumstances that will prevent the registered student from participating in the program. All requests for refund should be submitted in writing to ati-satprep@mit.edu, and subject to the approval of the SAT Preparation Program Directors. Refund requests must be submitted within 24 hours after the end of the first class to be considered. For students’ convenience, the following sample reasons are not valid reasons for refunds.

1) Program schedule did not work out.
   Students are expected to peruse the program schedule included. By submitting the Pre-Registration, students are acknowledging all the dates for the program. Students will not sign up for the program if there are currently known conflicting events that will prevent the student from attending all sessions of the program. At the SAT Preparation Program Directors discretion, the Directors may approve refunds for significant personal reasons that will affect the student participation which occurs after Registration.

2) Program is too easy/too difficult.
   The SAT Preparation Program is designed to prepare students from a wide range of abilities. We are unable to honor student refunds for reasons such as material difficulty after the start of the program.

3) Program is not to the student’s liking.
We are unable to honor student refunds for personal reasons regarding the instruction of the program, unless significant error and lapse in performance had been demonstrated in our teachers.
